Hello Everyone,

I am happy to report to you that Apollo Park continues to shine. Anne Nelson and I recently made an on-site visit to Apollo Park and the grounds are simply lovely in the summer. And the entire exterior of both buildings has been repainted. New balusters were installed as necessary, and surfaces scraped, prepped and painted. Preventive maintenance and repair are always necessary in the mountains. The color changes are intentionally subtle, but the new work is noticeable. New door numbers and locks are ordered and will be installed as soon as they arrive.

Miscellaneous improvements continue in the units. Ongoing upgrades include better lighting, new lamps in lower level units, additional pillows, etc. We have purchased a few foam mattresses for the pull-out sofas in order to test for comfort and wear.

Some owners have questioned if Apollo is building a Reserve Fund 'war chest', to which the answer is 'no'. We are funding the Reserve account to meet anticipated future expenses as identified by the Reserve Study engineers. These identified expenses include new roofing, boiler replacement, parking lot repairs etc. A good example of a fully planned and funded Reserve expenditure is the exterior paint work in 2017. The reserve funds are in place to avoid special assessments to the owners when these routine, large expenses occur.

Our neighbors to the West, Mountain View, have applied to the Town of Vail for approval of a new building. This addition will be added on top of their existing parking garage. The new building will include for-rent hotel rooms, much needed housing for locals and for-sale condominiums. Once TOV approval is obtained they anticipate construction to start this Fall and last approximately one year.

We anticipate little long-term effect on Apollo Park from the new building. However, we do anticipate some disruption in the parking lot during construction, but APV will maintain full access. The Board will work through any issues and asks for your understanding and cooperation.

Vail Resorts continues to expand their on-mountain summer activities. This summer they are offering one child (12 and under) to ride the Gondola free when an adult ticket is purchased for \$36. Both Vail and Apollo Park are a great place to spend part of your summer. I hope that you can visit.

Best regards,
David Zessin
Your HOA President

For **questions, comments or suggestions regarding Apollo Park at Vail**, contact Anne Nelson: 303-6906038 or Anne@alnacct.com, or write to Apollo Park at Vail, 8547 E Arapahoe Road, #J542, Greenwood Village, CO 80112. We appreciate your comments and suggestions.

Website: Additional information and 12 page newsletters can be found at www.vailtimeshare.com

2017 Check-in Dates: The first Friday in 2017 wasn't until January 6, which makes all check-in dates later. Please check the calendar to be certain you arrive on the correct day. Also note that Apollo Park's 2017 calendar does NOT match Interval International's calendar.

Units For Sale or Rent: Listings of units for resale and/or for rent by owners or the Association can be found in the on-line newsletter at www.vailtimeshare.com or contact Anne Nelson.

Extra Guests: If you would like to invite more guests than your unit accommodates, contact Anne Nelson. Another unit may be available at a modest price.

Recycling: Recycling was not an Apollo Park initiative. It is required by the Town of Vail and we will be fined if we do not comply. There is a recycling bin in everyone's closet, and there is a sheet posted on the refrigerator of what items to recycle. If you are letting someone else use your unit, please inform them that recycling is mandatory.

Caution: Please be very cautious if you are contacted by companies that offer to transfer or sell your timeshare condo so you will never have to pay dues again, if they tell you the condo is worth much more than you thought, or if they want to charge an upfront fee to list your condo for sale. Not all companies are trustworthy and if the offer seems too good to be true, it probably is.

Staff: Our Vail staff is available to assist you. Karen and Herman work Monday – Friday and Andrea works Fridays, weekends and after hours. The office number is 970-476-0079, the emergency contact number is 970-390-1190.

To Owners who use two units during the same week: All dishes, furniture, cooking utensils, etc. must be returned to the unit they came from. Please, if you move items from one unit to another, return them before you leave.

Parking: One parking space is available per unit. If needed, call Karen in the Vail office (970-4760079) to see if any additional spots might be available.

Housekeeping: Housekeepers are on site only on Tuesdays and Fridays of each week. Please remember this when making plans for switching guests or renters.

Paypal: You have the option of paying your maintenance fees with Paypal. Go to our website (www.vailtimeshare.com) and follow the link and instructions.

Fees: Dues payments that are not received by the due date are subject to a \$10 per month late charge and 18% per annum interest charge.

Always remember: NO PETS NO SMOKING DISPLAY YOUR PARKING PASS

Short Term Owner Rentals

If you are renting out your Vail property on a short-term basis (30 days or less) the town's Finance Department wants to be sure you are aware that you are required to remit sales tax to the Town of Vail. Beginning in 2016 all short-term rental properties renting more than 14 days per year will be required to obtain an annual business license from the town.

New town regulations also require the posting of a Town of Vail sales tax account number on all short-term rental advertisements. For more information, please call Gary Hartley at 970-479-2324 or visit vailgov.com/short-term-rentals.

Owners that rent their timeshare units through Apollo Park – we collect and pay all taxes for you.

Did you forget something? You can purchase any of the following travelsize items for \$1.00 each.

Summer Science Camp July 31, Aug. 1, 2 & 3 – 10:00 to 12:00

Ages 9 – 12 – preregistration required

The Science of Weather Few things impact our daily life more than weather. Weather determines the fate of our scheduled baseball games & whether a leisurely hike ends in a downpour. Predicting the weather is complicated and fascinating! Come & join us as we learn about the science of weather & the basics of weather forecasting. Professor Nanette Marcum- Dietrich returns to lead this popular camp! (Curriculum developed with support for the National Science Foundation – DRL 1640088.) For more information contact Cricket Pylman at cpylman@vailgov.com to reserve your spot.

📖 Imagination Station at the Dobson skating arena (across from the library). 10 a.m. – 5 p.m. every day of the week. This is a drop-in program for 2-12-year-old kids and their families. Child \$5 day/ \$10 week. Adults and children under two are free. The Imagination Station, a thoughtful play space, features a Thoughts Flow to inspire experimental play, a Play Wall to integrate physical and cognitive learning, a light table and builder boards that inspire problem-solving, and a hyperbolic funnel that models the planetary motion. Call 970-479-2271 for more information.
