President's Message:

The snow is coming, at last! Denver had a white Christmas, an unusual occurrence, and the ski areas are getting snow measured in feet. So please do the Colorado snow dance, get your skis waxed and sharpened and come enjoy some skiing in Colorado.

During the past year Anne Nelson, our Executive Director, did some checking on the cost for some of our utilities and was able to get a rate reduction on our garbage pickup, get a new cable TV provider and a new natural gas provider also at reduced rates.

As some of you may have noticed our internet connection for the past couple of years has had a few problems, primarily with providing a reliable connection. While Anne was looking into our utility rates she also looked at other options for an internet provider. The good news is we have a new internet provider that is providing better service at a lower rate.

Also this past year we had a Reserve Study done to see how we are doing with planning for future repairs and upgrades. The good news is that we are in good shape and we have a plan in place going forward. Look for further information on this subject in this newsletter.

This last year eight more kitchens were totally remodeled in the spring with four more completed in the fall. This was a total redo of the cabinets, counter tops, sinks, faucets and garbage disposals. The average cost was about \$8,500 per unit, but from the comments the Board has received, it has been well worth the investment.

Some of the improvements planned for 2013 are:

1. Finish the kitchen remodeling; only five kitchens are left.
2. Replace sleeper-sofas in some of the units.
3. Replace some of the 10-15-year-old TVs with new flat screen TVs.

The bad news in all of this is that nothing is getting cheaper and our costs are continuing to go up. To maintain Apollo Park at the level that our owners have come to expect and to keep our quality help we will be raising our dues 4%. This amounts to an average increase of \$17 per timeshare week.

Beginning with the July 2013 billing statements, we will offer a paperless e-mail version. If you are interested in receiving your bill by e mail, please return the enclosed information sheet to Anne, or send the information to her at Anne@alnacct.com. As a reminder we are now putting the semi-annual newsletter on our web site at www.vailtimeshare.com. For those of you without Internet access, we will continue to provide a hardcopy of the newsletter. Just call Anne at 303-690-6038 or include a note with your payment to request a copy if you haven't done so before.

As always, Anne and the Board appreciate the phone calls and e-mails with suggestions and comments about how we are doing. We do review these comments and make every attempt to correct problems or implement your suggestions. Please keep the phone calls and e-mails coming.

If I can be of service to any of you, please feel free to contact either Becky or myself. Our home phone number and email address are listed below.

Gary O. Englebright

APOLLO PARK RESERVE STUDY COMPLETED IN 2012

What is a Reserve Study? Why should we have one?

At our Annual Meeting owners heard a term that your Board will be referring to a lot going forward: Reserve Study. To understand what it is and why we need it, just think of our association as you would your own home. You have a roof with say a 10 year life, a boiler with a 20 year life, wiring with 20 years remaining. You know that someday you will need to repair and replace those various components of your home. If you were properly budgeting for the needed repairs, what would you do? Well, you should be stashing away a little money every year for the inevitable repairs so that when the need arises, you have the funds readily available to get the necessary work done. In essence, this is what a Reserve Study is.

The formal definition is “a detailed report that assists common interest developments (CID) in planning for long-term common area repair and replacements expenses.” In our case it was conducted by an independent third party named McCaffery Reserve Consulting who are experts in doing these. Over the last 8 years they have performed over 2,500 such Reserve Studies.

The Study requires taking each of the component parts that make up our physical structures, i.e. the roof, the pool, the walkways, the stairs, etc. adding in the furniture and fixtures, then assigning a useful life to each. For instance, the cookware in our kitchens may have a useful life of 5 more years, the roof, 11 more years, etc. Then the study asks, how much will it cost in 5 years to replace the cookware? Let’s just say for the sake of example, that the estimate to replace is \$100 per unit or \$4,000. Knowing that it is likely that in 5 years we will need to replace the cookware, we need to reserve 1/5 of that amount every year until then, i.e. 1/5 of \$4,000 or \$800 a year. Then, in 5 years we will have the necessary reserves to make the purchase. We follow the same analysis with each component.

Our study is now completed. It shows that we need to be reserving \$94,800 in 2012 and \$97,644 in 2013. The amount goes up with inflation every year. The good news is that we have the necessary reserves built into our annual budget and thus the increases in our dues will be nothing unusual. Of course, our assumptions as to useful life could be wrong. In some cases, components will break down earlier than we thought and in some cases a little later. Every year the Apollo Park Board will look to our Reserve Study and reassess our assumptions. We also could be wrong on the amount necessary to replace an item. It could be higher or lower than we estimated. Nonetheless, having a Reserve Study gives us a guide, a template for planning prudently and effectively for our future. It is a fabulous planning tool and allows all of us to know that Apollo Park will be adequately maintained and cared for in the coming years.

David Michonski, Board member

PAPERLESS BILLING STATEMENT OPTION

Owners will be able to receive paperless billing statements beginning in July 2013. If you wish to receive your statements by e-mail, please send the following information to Anne Nelson at Anne@alnacct.com:

Name

Unit and Week number(s)

Current Mailing address

Current telephone number

Current e mail address

Please remember that it will be your responsibility to update the records with Apollo Park if any of this information changes.

Real Estate Taxes: Timeshare owners – 7.94% of 2012 dues was for real estate taxes. Figure your tax deduction by your total dues x .0794. **Whole owners** - the percentage of dues for the land was 3.38%.

For **questions regarding Apollo Park at Vail**, contact Anne Nelson: 303-690-6038 or Anne@alnacct.com

Website: Additional information and full length newsletters can be found at www.vailtimeshare.com

Units For Sale: The complete newsletter includes units for resale by owners or the Association can be found in the on-line newsletter at www.vailtimeshare.com or contact Anne Nelson for a copy.

Staff: Our Vail staff is available to assist you. Karen and Herman work Monday – Friday and Andrea and Steven work Fridays, weekends and after hours. The office number is 970-476-0079, the emergency contact number is 970-390-1190.

Parking: One parking space if available per unit. If needed, call Karen in the Vail office (970-476-0079) to see if any additional spots might be available.

Housekeeping: Housekeepers are on site only Tuesday and Friday of each week. Please remember this when making plans for switching guests or renters.

Pool: Please use and enjoy Apollo Park’s heated outdoor pool. Owners and guests cannot use the hot tub at Mountain View – that is trespassing on private property.

Fees: Dues payments that are not received by the due date are subject to a \$10 per month late charge and 18% per annum interest charge.

The **calendar** showing Check-In dates can be found on the website at www.vailtimeshare.com.

Always remember: NO PETS NO SMOKING DISPLAY YOUR PARKING PASS

Free or Inexpensive Activities in the Summer Season

VAIL LIBRARY

Baby Story Time at the Vail Public Library at Lionshead:

Babies from 0 - 18 months are invited to this interactive weekly program with songs, stories and movement. It's every Tuesday from 10-11 a.m.

Stories and Skating 10 and 11 a.m. on Wednesdays; Dobson Ice Arena and Vail Public Library – Enjoy story time at the library and skating at Dobson at either 10 or 11 a.m. on Wednesdays. Choose the correct age for story time and attend the skating during the opposite hour. Story times at the library are 10 Toddlers and 11 for Preschool aged children.

Story time is free and skating time is \$10 per child for skates and instruction.

Explore the mysteries of the night sky

Wednesdays & Fridays 6pm-7pm Explore the features of our night sky from the top of Vail Mountain. Learn to identify constellations and other astronomy features. Programs will provide opportunities to view the night sky using telescopes. Programs will begin in the Nature Discovery Center and may contain both indoor and outdoor components. All ages, FREE (but you need to buy a Gondola ticket to get to the Nature Discovery Center).

Nature walks every day at 2 p.m. Snowshoes provided. Gondola ticket needed to reach the Nature Discovery Center.
