President's Message:

Hello! The snow is gone, the flowers are blooming and summer is here... along with the summer fire season. There have been several fires in Colorado already with one just next door in the Beaver Creek area. So while you are out and about in the Vail area, enjoying your unit and the great outdoors, please be aware of what you are doing and help prevent a fire from starting.

By the time you are reading this, two significant events at Apollo Park will have been completed. For the past several years Apollo Park has been refurbishing the kitchens in the units. This refurbishment included replacing the cabinets, countertops and sinks. As of this spring I am happy to announce that this project is complete.

The other significant improvement is that all of the TVs have been replaced with new flat screen TVs. A big THANK YOU to Board members Bill Markoff and David Zessin for their hard work in getting bids to replace all of the TVs. In case anyone is wondering what happened to the old television sets, the company that installed the new TVs, took the old and will recycle them. The big thing is that they are not going to a landfill to take up space.

If you remember the January newsletter we stated that starting in July we would be offering a paperless version of the semi-annual bills to be sent by e-mail. I was a test case for the January billing and I am happy to report that I received my bill without any problems. Remember it is an option to receive your bill by e-mail, not a requirement. On the plus side, every bill sent by e-mail means less time printing, folding, stamping and mailing out the bills and also means less money spent doing those tasks. So if you are interested in receiving your bill by e-mail, please send your name, current mailing address, current telephone number, current e-mail address and unit and week number(s) to Anne Nelson at Anne@alnacct.com.

As a reminder we are now putting the long version of the semi-annual newsletter on our web site at www.vailtimeshare.com. The long version includes a listing of units for sale or rent. For those of you without Internet access, we will continue to provide a hardcopy of the newsletter. Just call Anne at 303-690-6038 or include a note with your payment to request a copy **if you have not done so before.**

As always, Anne and the Board appreciate the phone calls and e-mails with suggestions and comments about how we are doing. We do review these comments and make every attempt to correct problems or implement your suggestions. Please keep the phone calls and e-mails coming.

If I can be of service to any of you, please feel free to contact either Becky or myself. Our home phone number and email address are listed below.
