President's Message:

As I reported last January, the ski season started off great and it continued that way for the entire season. That means that for those of us with spring and summer weeks, the mountains are green with lots of flowers and we can look forward to having a good time vacationing in Vail.

With last year's completion of the kitchen remodeling and the installation of new flat screen televisions, the only major upgrade planned for inside the condos this year was the replacement of the sleeper sofas. Unfortunately there was a problem with the delivery and some were received in a damaged condition. Herman and Karen refused to take delivery of the sofas, called the company and Anne Nelson to rectify the problem and to schedule delivery of replacement sofas. Those should be arriving in the near future. In addition, we replaced the washer and dryers used for all Apollo Park laundry and have been doing maintenance to the exterior of the buildings.

With the exception of the one problem mentioned, everything is going great at Apollo Park. Herman has the gas grill out for use, flowers are planted and blooming, the pool is being enjoyed by our owners and guests and Herman and Karen are doing all of those wonderful things that they do to make our units the wonderful places they are. As one of our multi-week owners says, 'Apollo Park is the best kept secret in Vail'. I hope that you are able to get up to Vail and enjoy your time at Apollo Park as well as all the activities in Vail and the surrounding mountain area.

As a reminder, we are now putting the semi-annual newsletter on our Web site. Although we include a two-page letter with our mailing, the full newsletter with ads for units for sale or rent, and a listing of summer activities can be found at www.vailtimeshare.com. For those of you without Internet access, we will always continue to provide a hardcopy of the newsletter once you have made that request. If you have not asked before, just call Anne at 303-690-6038 or include a note with your payment to request a hard copy.

As always, Anne and the Board appreciate the phone calls and e-mails with suggestions and comments about how we are doing. We do review these comments and make every attempt to correct problems or implement your suggestions. Please keep the phone calls and e-mails coming.

If I can be of service to any of you, please feel free to contact either Becky or myself. Our home phone number and email address are listed below.
